

Congress of the United States  
House of Representatives  
Washington, DC 20515-2201

April 28, 2021

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the projected titled, "Rebuilding HOPE" in fiscal year 2022.

The entity to receive funding for this project is Great Lakes Recovery Centers, located at 97 S. Fourth Street, Suite C, Ishpeming, MI 49849.

The funding would be used to relocate and expand GLRC's Men's New Hope House residential treatment program. There is great need for mental health and substance abuse treatment services in the eastern Upper Peninsula, especially following the COVID-19 pandemic. The "Rebuilding HOPE" project will help fill this need and has demonstrated strong support from the local community.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jack Bergman  
Member of Congress
